During the Adventurer years, they develop a better understanding of spiritual and physical things, and the world of nature around them. These instructors prepare and present the curriculum in an engaging way. We thank them for the influence they will have on our children.

## Basic Program

- Have the Adventurers and staff line up. Since the flags should be carried in for this ceremony, the American flag should always be first, and EVERYONE should stand upon its entrance. The Christian flag and Adventurer flag should follow. The Bible should be carried in immediately after the flags. The Adventurers should file in after the Bible, according to class levels.
- There is always a little confusion about the placement of the flags and banners on the platform. Just remember that the American flag always goes to the right of the speaker, which will mean that the color guard will go to their own left. The flags are placed in order of significance, from left to right of the color guards entrance, they should be placed as follows, the American Flag, Christian, and then Adventurer flag. If you have any confusion on the placements, just look at Flag etiquette on your computer and everything will be explained there.
- The Pledge Banner should be on the same side as the American Flag and the Law Banner on the same side as the Christian Flag.
- The Bible can be placed in the middle. Please remember to bring the Bible in, as a Christian, it is really the most important symbol carried in. It is important to know that you cannot pledge to a flag or Bible if it is not there. If your club has the money, it is nice to purchase a special Bible for your club that can be used for your Pledge to the Bible, at your weekly meetings, as well as, your special ceremonies. But any Bible can be used.
- Whenever flags are carried in, they must be carried out.
- Upon the entrance of the flags and Adventurers have music playing. It is your choice as to if you have a pianist or a CD playing the Adventurer Song.
- Everyone should still be standing after the entrance of the Adventurers and staff. Call the Adventurers to “attention” and to “present arms”. Since your club should be in Dress A, their right forefinger should come to their eyebrow. When the pledge to the American flag is over the order should be given “order arms”, at which they should be back at “attention” stance.
- Continue with the pledge to the Christian flag, and Bible. Have the Adventurers lead out in the pledges.  
YOU WILL NOT SAY THE ADVENTURER PLEDGE AND LAW AT THIS TIME
- Have everyone sing the Adventurer Song
- Call the Adventurers to “prayer attention”, in which the Adventurers should place their hands together behind their back with their legs apart, at shoulders width, and they should drop their head for prayer. Offer the Opening Prayer; this can be done by you or one of the Adventurers. After the prayer, they should be called back to “attention”, “at ease” and allow everyone to be seated. It sounds like a lot to remember, but if you practice it at the opening of all your weekly meetings, and then for your Induction practice, it will go very quickly and easily.
